COUNCIL COMMENTS

Mike Hibbard: Spoke on many points concerning ordinance 023-004, job descriptions, when positions would start and the possibility of using an outside agency for HR to find one that works. He also inquired as to why so many duties were removed from the job descriptions, especially code enforcement.

Bonnie Enlow: Said that was just to simplify it, that they would still have to do everything the Mayor asked them to do. She went on to say that the code enforcement officer would have to do everything that was in the new ordinance that had been emailed to the council.

Mayor Cubero: He explained how they were trying to prioritize what was being done because there were so many things that needed to be addressed in the city.

Mike Hibbard: He asked if a copy of that ordinance could be printed out for him. He asked a few more questions about the job descriptions and the Mayor answered his questions.

Brad Whittaker: He asked about a couple of job descriptions as well and the Mayor explained the changes and the reason for them.

The Mayor called for a motion to adjourn.
